

**GREAT IDEAS CAN COME FROM ANYWHERE.  
SO THESE PIECES GO EVERYWHERE.**

**HIVE**

**PIVOT**

Designed by Primo Orpilla

**We believe in the power of collaboration.**

**IdeaPaint, the inventor of dry erase paint, is setting a new standard for mobile dry erase boards: to be both high-functioning and beautifully designed. This award-winning collection of go-anywhere collaboration tools makes open environments more flexible, re-configurable, and dynamic. Use as individual pieces or in combination to create unique spaces that enhance the way you work.**

## **HIVE**

A perfect fit for any office environment, Hive's simple design aesthetic is both functional and beautiful.

### **Size**

Writing Surface - 42" W x 64.5 H"

Outside Dimension - 44.5" W x 76" H x 19.75" D

## **PIVOT**

A first-to-market design, Pivot rotates with the simple twist of a knob, converting from a vertical dry erase board to a writable, bar-height table (42").

### **Size**

Writing Surface - 42" W x 64.5 H"

Outside Dimension - 50" W x 73.5" H x 32" D

### **Materials**

Maple Veneer Or White Steel (Magnetic) Writing Surfaces, Baltic Birch Plywood Edges, Steel Joints, Hand Turned White Oak Legs, 2" Hollow Chrome Casters (Locking), Stainless Steel Hardware.

### **Functionality**

Casters lock and swivel for easy mobility, IdeaPaint high-performing dry erase surfaces, Pivot rotates simply to a writable bar-height table, and Steel option (White) is magnetic.
