IDEAPAIN'T MAGNETIC PRIMER

A breakthrough magnetic coating, IdeaPaint Magnetic Primer is powerfully magnetic, versatile, and perfect for commercial or home application.

- Delivers up to 2x the magnetic strength of other liquid products
- Easy roller application
- Smooth texture—no sanding required
- Light gray color for easy top coat coverage
- 100 sq. ft. for \$250 or 50 sq. ft. for \$138
- Produced in the USA

For best performance, use with neodymium (rare earth) magnets. For install information, visit ideapaint.com/help.

PULL MAGNETIC WALLCOVERING

PULL is an industrial-grade, high-performance magnetic wallcovering. It's best suited for commercial application, where high-intensity magnetic strength is required (i.e., need to hold thick materials, like blueprints or swatches).

- Durable and seamless, with no gaps for dirt or dust to accumulate
- Environmentally responsible; contributes to LEED Certification
- Limited lifetime warranty on wallcovering
- Requires professional installation
- Custom pricing available based on sq. ft.
