

GREAT IDEAS CAN COME FROM ANYWHERE. SO THESE PIECES GO EVERYWHERE.

IdeaPaint, the creator of dry erase paint, is taking frictionless collaboration to the next level with a thoughtfully-designed line of mobile, writable surfaces.

Created in partnership with Primo Orpilla of Studio O+A and acclaimed furniture maker, Uhuru Design, this collection is inspired by how our customers collaborate.

Used solo or in combination, these pieces integrate into any space, making open environments more seamless and flexible.
